Reveal Our "FLAGS UNFURLED"

Mr. Bill Atwell, his wife, Barbara, and their sons, Stuart, age 4, and Steve, age 9, provide a perfect example of a

wholesome all American family

Words cannot express the appreciation of all those at Marshall High School for our devoted and capable Assistant Principal, Mr. Bill Atwell. A living example of the ideal American citizen, Mr. Atwell finds time for church, family, and community activities. Whether cheering for the Mavericks or counseling students, he represents the true spirit of Marshall High School.

Steve and Stuart find an enthusiastic companion in their fun-loving father. In spite of all his other activities which contribute to the services he renders to his community, Mr. Atwell always finds time for his family. A good friend to the ad-

ministration, faculty, and students at Marshall High School, he has won the deep respect and admiration of each of his acquaintances.

Helping to build today's youth into tomorrow's adults, Mr. Atwell has proven himself to be a public-minded citizen of Marshall. A leader of young people in every sense of the word, he has won a place in the heart of each of us.

We, the MAVERICK STAFF, proudly dedicate the 1966 yearbook to you, Mr. Atwell, as a small token of our appreciation for the guidance you have given us through the years.

to One . . .

MR. BILL ATWELL
Assistant Principal of Marshall High School

Alma Mater

Marshall High School, hail to thee!
Stalwart, brave, and true.
In love we pledge our loyalty
And faith we have in you.

For red and white shall wave on high
In strength and purity—
To honor you we'll ever try
Throughout eternity.

Carrying Out Their Duties

THE MARSHALL INDEPENDENT SCHOOL DISTRICT was established by a charter issued by the Texas Legislature. Its governing board is composed of seven members who are appointed for three-year terms by the Marshall City Commission.

Primarily a policy-making and policy-evaluating body, the Marshall Board of Education has many functions, one of which is keeping the public informed as to the management and operation of the schools. It is constantly faced with the task of providing buildings, equipment, and teaching facilities in order to give the children and youth of the Marshall area the best educational program possible.

The students and citizens of Marshall and the surrounding area are indeed indebted to the members of the school board for the fine job they are doing in making our public school system the smooth, well-run organization that it is.

The Marshall School Board for this year consists of Mr. Van Rhea Beane, School Superintendent, Mr. Willard Coker, President, Mr. Don Rives, Mrs. Albert Agnor, Mr. Ray Lawson, Dr. Philip Crayton, Mr. Joe Hirsch, and Mr. Earnest Marshall.

School System Under the Capable Leadership of Our Superintendent

THE STUDENTS AND CITIZENS OF MARSHALL ARE VERY fortunate in having our school system in the capable hands of Superintendent Von Rhea Beane. Born in Hunt County, Texas, he graduated from Greenville High School and continued his education at ETSU, from which he received his B.A. degree. Holding a M.A. Degree from SMU, Mr. Beane has served as principal in Lampasas, Waco, and Texarkana. Before coming to Marshall in July, 1958, he was Superintendent of Schools in Mineola, Texas.

An active member of life in the community, Mr. Beane belongs to several civic clubs and organizations. Serving on the Board of the Harrison County Mental Health Society, the Harrison County Crippled Childrens' School, the Marshall Council of Camp Fire Girls, the Marshall Civic Symphony, and The Harrison County Community Chest, he also works with numerous school groups and clubs. The proud father of 3 sons: Jerry, 22, a student of Baylor Law School; Mike, 16, a Junior at MHS; and Bobby, 11, a fifth grade student; Mr. Beane is a member of the Rotary Club, the First Baptist Church, where he is a deacon, and the Masons.

MR. VON RHEA BEANE
Superintendent of Schools

PRINCIPAL

MR. JOHN L. ROARK

DOING A WONDERFUL JOB at school, at home, and in the community, Mr. Roark is in charge of an important part in building today's youth into the leaders of tomorrow. Born in the small town of Bailey, Tex., he graduated from Leonard High School. From Howard Payne College, he received a B.A. Degree and furthered his education at ETSU, from which he earned an M.A. Degree. Before becoming our principal, Mr. Roark was principal at Brady, Tex., and at Robert E. Lee in Marshall.

Taking an active part in the life of our city, Mr. Roark is a member of the Lions Club, Chamber of Commerce, TSTA, NEA, the State and National Assoc. of Secondary Principals, and serves as chairman of the Official Board of the First Methodist Church.

Counseling students, cheering the Mavs, working on church committees, participating in service clubs, and having a good time with his family prove our principal to be a very efficient and busy man.

ASSISTANT PRINCIPAL
MR. BILL ATWELL

CARRYING ON HIS many duties with great efficiency, Mr. Bill Atwell serves as Assistant Principal of Marshall High School. One may find him assisting Mr. Roark, executing general business in and around the school, or counseling pupils.

He holds a Bachelor's Degree from Henderson State Teacher's College and is an active member of TSTA, the National Association of Biology Teachers, and the First Baptist Church. Much of his spare time is spent in activities of the US Army Reserve. Mr. Atwell especially enjoys fishing, photography, swimming, and his two sons, Steve and Stuart.

GEE! DON'T YOU KNOW MR. ATWELL enjoys his job with such pretty helpers to assist him. Unfortunately, these six girls are here for work only and find little time for play during this time. Their main concern is to be of assistance to Mr. Atwell in any way they can. Those pupils venturing in the reception room find a cheerful welcome from one of these girls

Linda Cooper, Jeannette Moore, Joyce Allen, Carol Holmes, or Karen Woodley

MRS. ELEANOR RICHARDSON AND MRS. FRANCES HENDERSON help to see that Marshall High School is run smoothly and with efficiency each day of the school year. Both are ready and willing to assist students, teachers, and administrators in any way whenever they are needed. However, most of their busy day is spent in aiding Mr. Roark and Mr. Atwell in the pressing duties and jobs around MHS.

The office workers each period are a great help to these efficient secretaries.

Working for a Better MHS

MR. RUSSELL MURPHY, DIRECTOR OF PUPIL SERVICES, counsels with three MHS students as to which college they should enter upon graduation and the necessary entrance requirements and examinations. Such incidents are only a small part of the busy day of this capable man. Seniors find him indispensable when they decide on their future, whether it includes a college education or work.

MRS. EUNIVA RENYK HAS PROVEN TO BE an asset indeed to the staff of Marshall High School. As counselor, she assists Mr. Roark and Mr. Atwell in arranging schedule changes and helping students with problems.

Also consulted for advice on college plans and entrance requirements, this cheerful lady has become a favorite of all at MHS.

"RUNNING THEIR LEGS OFF" IS the job of these six busy girls, who assist Mrs. Richardson and Mrs. Henderson in the office during first, second, and third periods of each

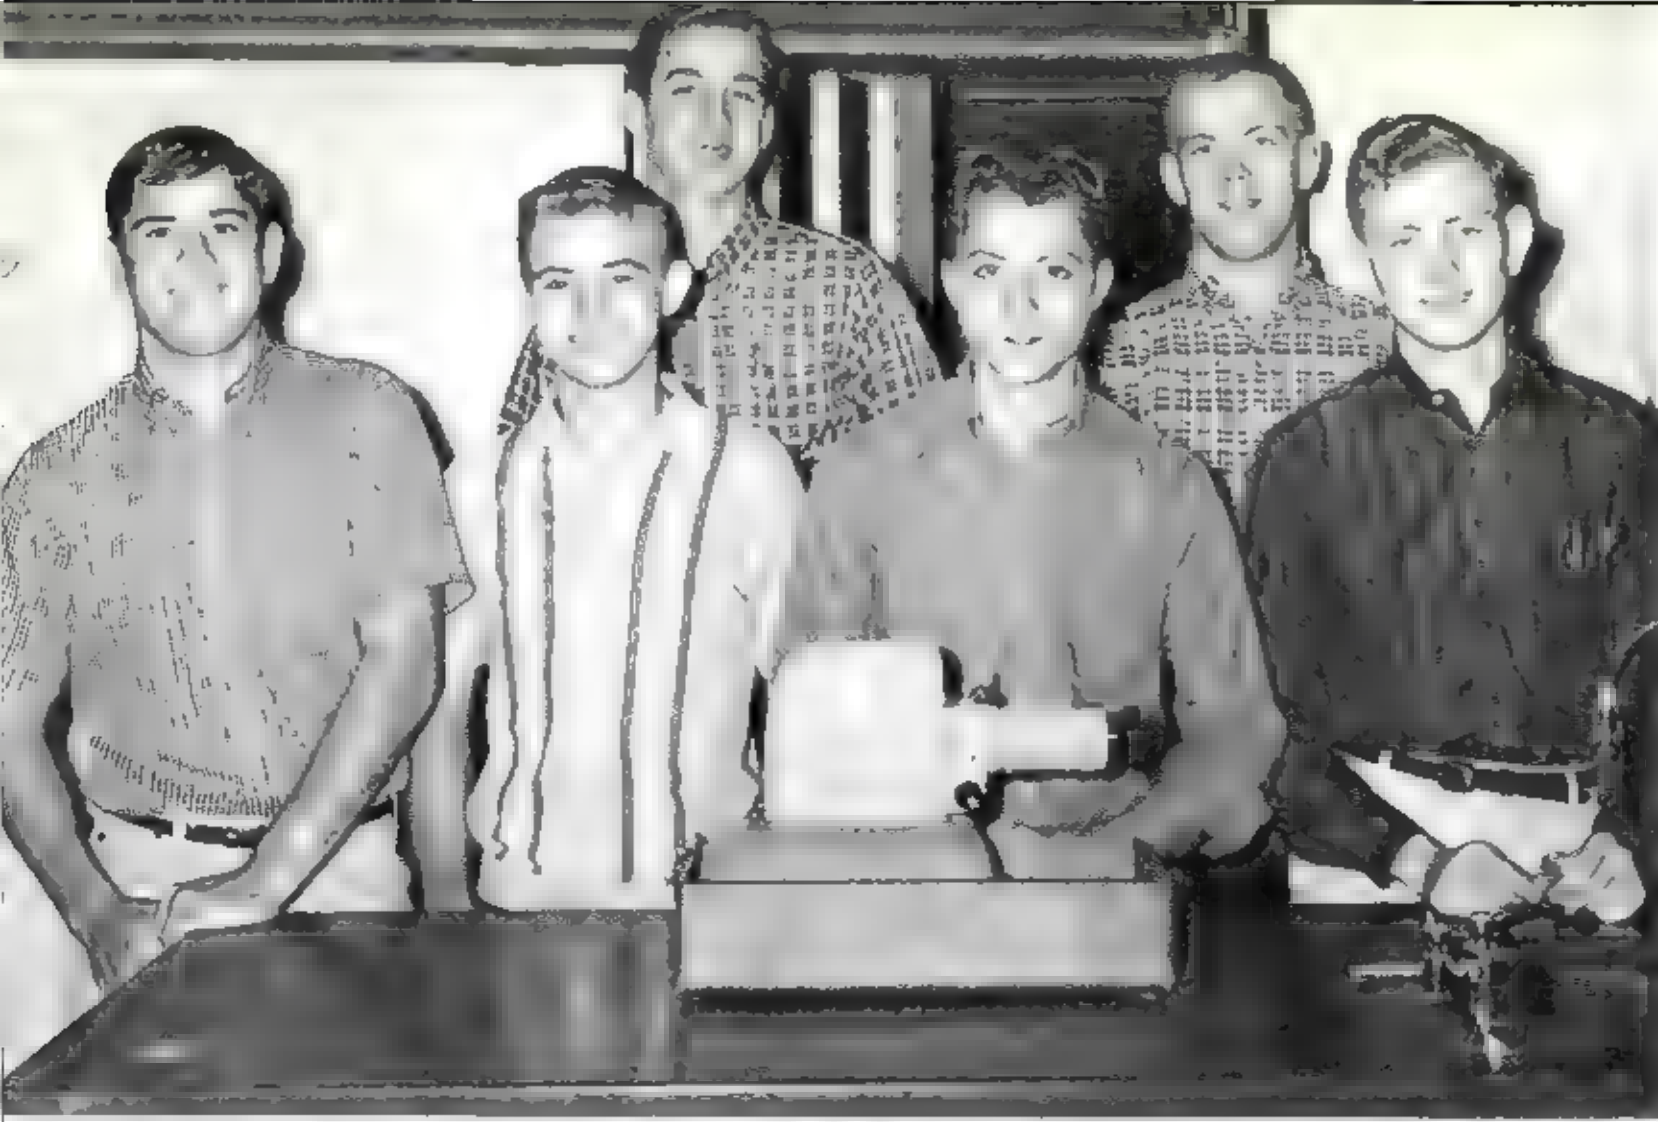

school day. Picking up slips is only one of their many duties. They are from left to right: Lin Deupree, Cherry Parker, Janet Moore, Reggie Beaty, Cheryl Pickens, and Betty Clark.

Workers for

WE CAN'T LEAVE OUT THE GIRLS WHO WORKED fourth, fifth, and sixth periods. Picking up attendance slips and other notices is only one of their duties. The efficient office

workers assisting during the busiest time of the day are: Mary Lou Verhalen, Dale Brown, Linda Jones, Anita Powell, Susie Lloyd, and Susan Green.

MR. ROSS has a lot of help with these six efficient V.E. boys: Terry Ray, Ricky Lambert, Mike Sullivan, Ronnie Rathers, Philip Meeks, and Douglas Stephenson.

All of MHS

TERRY PARKER, Jackie Boren, Jeanie Hirsch, and Linda Lea are very helpful to Mrs. Harrell as Student Council Receptionists.

At the end of the 1965 school year new staff members were orientated and a theme for the 1966 annual was chosen. During the summer plans for the entire book are made, and the color pages are shipped to the publishing company. The first dead-

line is met with the shipment of the first sixteen pages which carry out the theme. In November, 104 pages are due and this usually turns out to be the hardest of the deadlines to meet.

With the arrival of February, the finishing touches are added and the last shipment of pages is mailed. A proud

and Setting Higher Goals

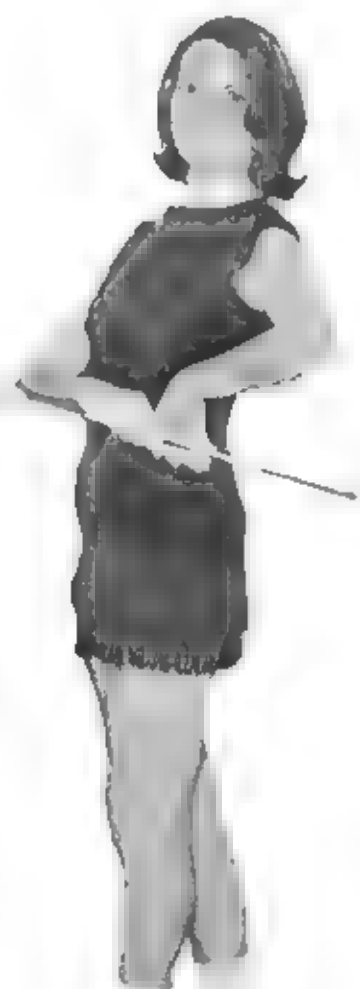

Barbara Wallace, Barbara Grinnell, Judy Owen, and Jimmy Fraser

ONE OF THE HIGHLIGHTS OF THE FOOTBALL SEASON is the performance of the May twirlers in pep-rally. One of the most enjoyable routines is that one done to the music of "Pink Panther". The entire student body enjoyed the appearance of the little "pink panther"—just one of the unique band achievements.

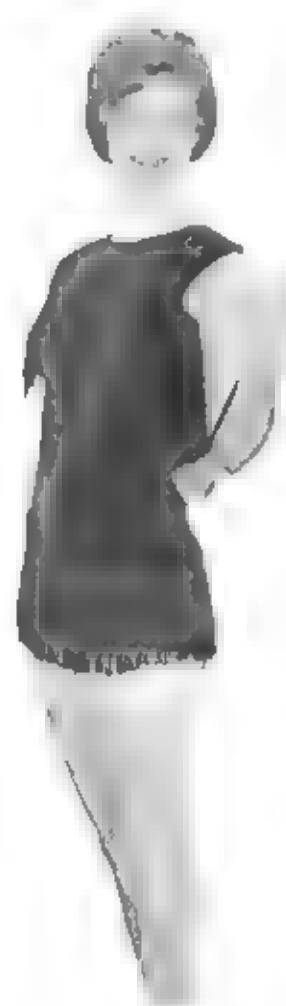

Left: BARBARA GRINNELL—Clad in the striking black dance costume of the Mav twirlers, Barbara exemplifies the poise, pep, and precision of our twirling rank. Two years in this position have proved her talent with the baton and her aptness as a high-stepping, fine majorette.

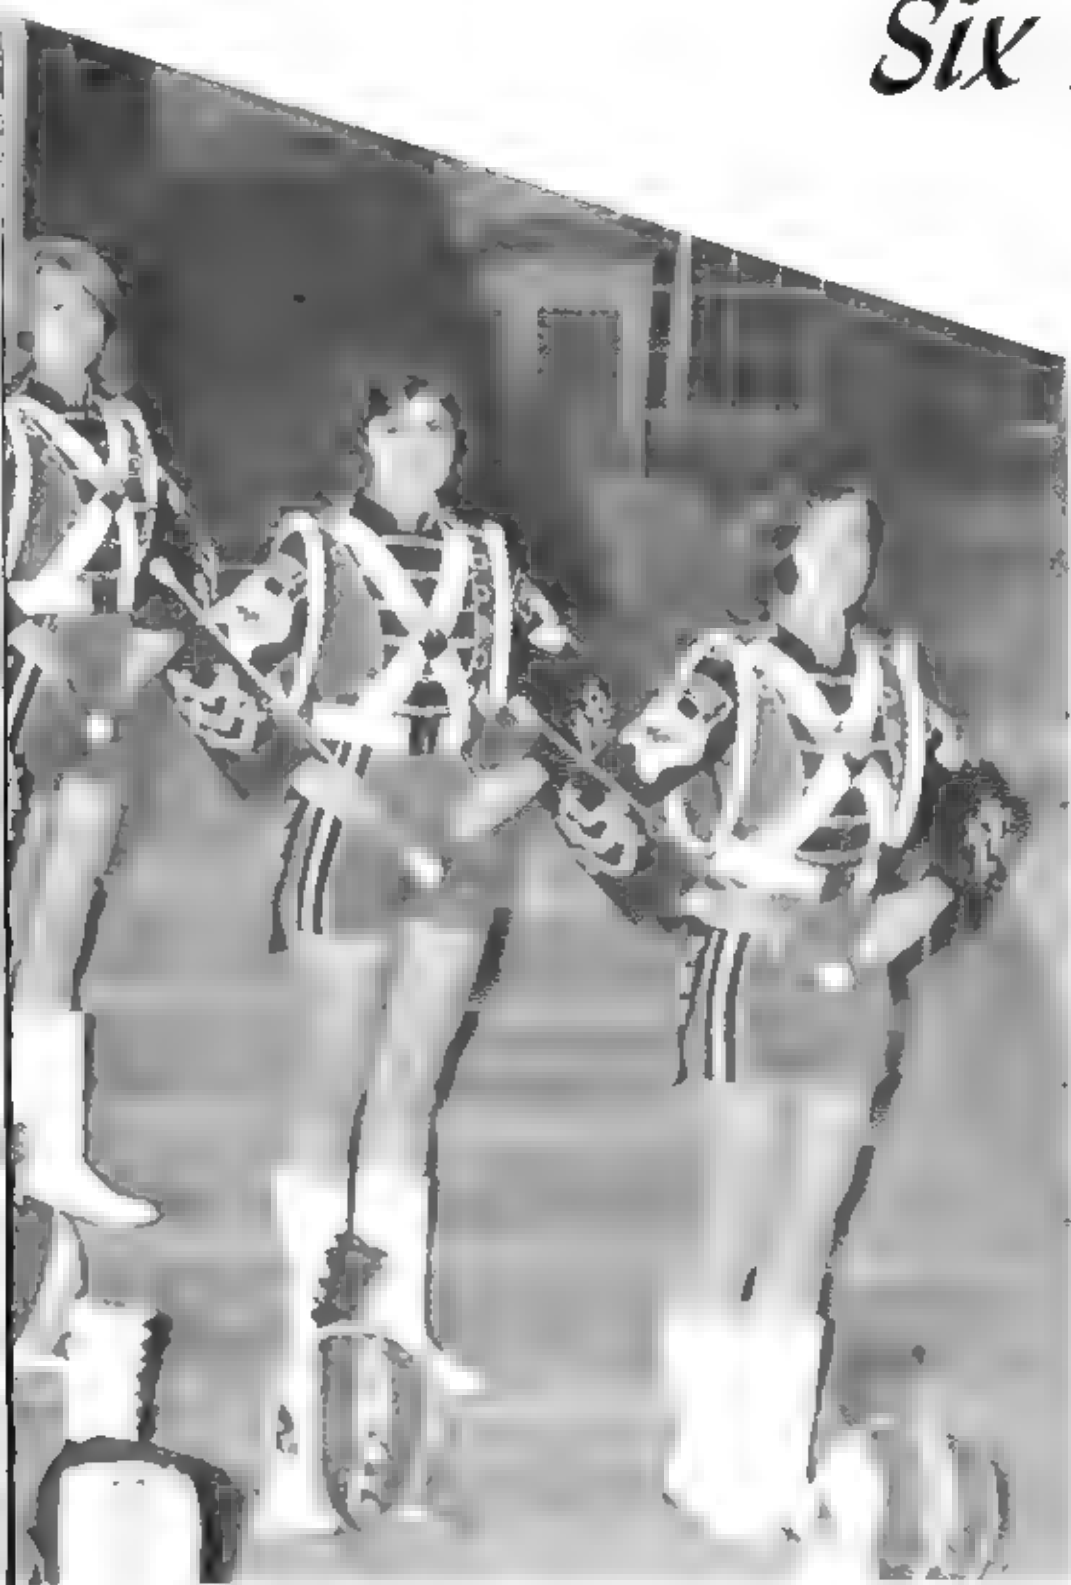

Left: VERONICA GRIGSBY—Whether briskly stepping down the field or twirling through a tough routine, Veronica gives the image of the model majorette. In her second year as a Mav twirler, she radiates enthusiasm to her associates as well as in her work.

RIGHT: JAN SHARP—Striking this becoming pose, Jan exhibits enthusiasm, charm, and spirit in her first year as a twirler. The Maverick band may surely boast of the talent which she has shared with M H S the past year.

Six High-Stepping Twirlers Accentuate Mav Band

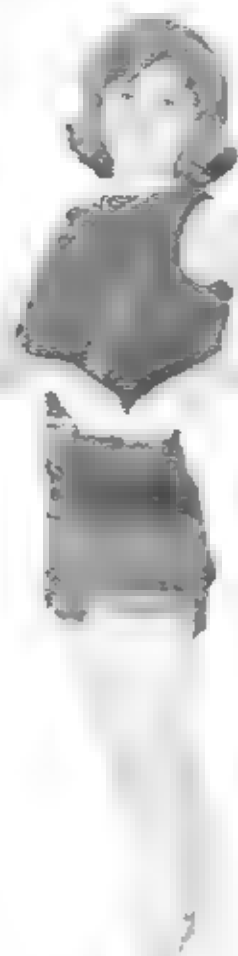

Above: SHARON DAVIDGE—Without a doubt this petite junior is a distinctive picture of alertness and zeal. Sharon, in her first year as a Mav twirler, has surely made a fine beginning.

Right: JOYCE ALLEN—Joyce enhances her already exceptional display of twirling with a bright smile and a sassy strut. She, too, a veteran of two years, performs in a manner that mirrors her genuine pride for M H S.

Left: BARBARA SPEIGHT—If vim, vigor, and vitality are the passwords to the world of masterful twirlers, Barbara is on the right path. Looking sharp in her first year as a Mav Twirler, she has put every effort into reflecting the spirit of a true Maverick.

Capers No. Four—Biggest and

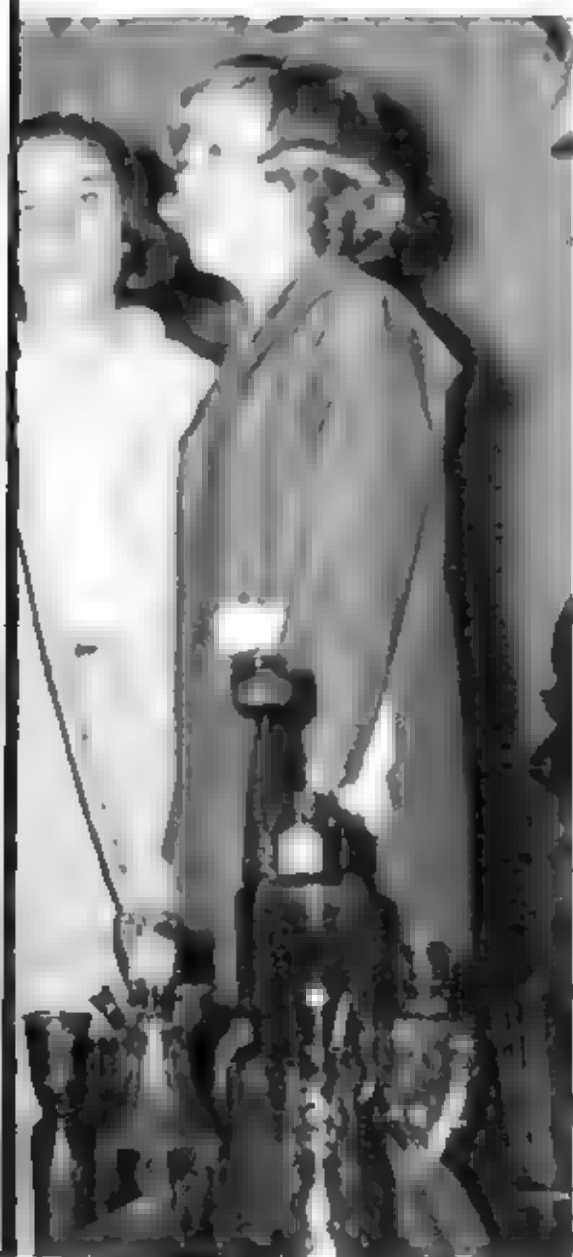

EACH YEAR THE BOY'S CHOIR, composed of boys from various choirs add much to the Choral Capers with their enjoyable numbers. Although several teachers became unpleasant, wearing their costumes to school was great advertisement for the Capers. The Boy's Choir, together with the Honor Sextet, presented one of the most delightful numbers of the show—a combination of "There is Nothing Like a Dame" and "Hey Look Me Over."

"HEY LOOK ME OVER" WAS the name of the song—the girls' why that's our Honor Sextet under those "lovely" disguises. Prancing up and down the aisles, these six talented girls stole the show with their delightful interpretation of the song. The sextet is made up of Ginger Mitchamore, Suzanne Scott, Mary Pearson, Becky Hall, Becky Shoults, and Virginia Hyde.

COACH BROOKS

COACH RALPH BROOKS carried the Mavs through almost an undefeated season in '65. The only defeat going to No. 1 ranked Texarkana. Coach Ralph Brooks has undoubtedly done more for and with Marshall athletes than any coach in the history of Marshall. He coached the Mavericks to the greatest season in the history of football at Marshall and looks forward to another great season.

COACH KEESEE has done a great job for the Mavs in 1965. Holding down two jobs in the Mav line. He coached both ends and other linemen to become the strongest in district. Coach Keesee is also head baseball coach.

Mavericks

COACH WADE McNATT served as backfield coach this year. His excellent coaching will always be valued to the varsity. Coach McNatt holds a B.S. from East Texas State College.

NINTH GRADE COACH, CARL PRESTON, inspired the Rustlers to a very successful season this year. This is Coach Preston's first year at MHS, having come from Arkansas, and we wish him many successful years in the future.

COACH J. T. RAY, assistant ninth grade coach has done an excellent job helping Coach Preston in ninth grade sports. Besides being a great coach, Coach Ray is also a capable teacher

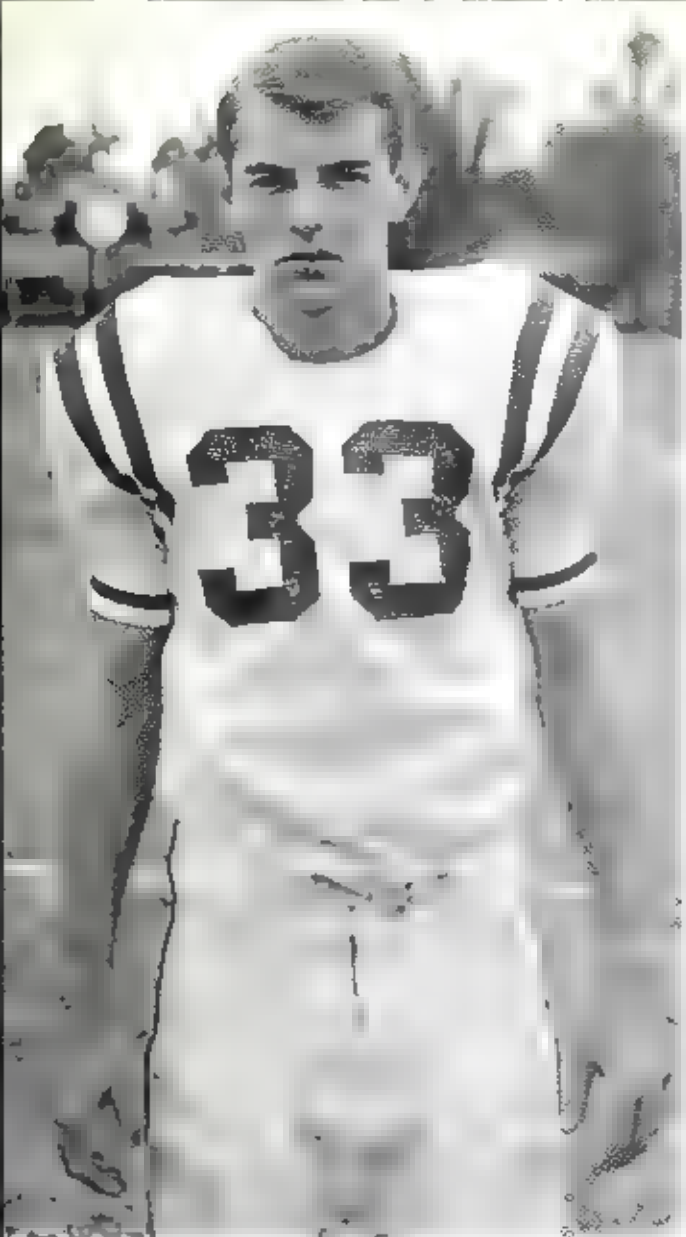

COACH JAMES UPSHAW is the Maverick basketball coach. Although this is Coach Upshaw's first year at MHS, he has won the respect and admiration of his students.

COACH DENNIS SMITH performs duties that go with his job of "B" team coach. Coach Smith led his junior varsity to an impressive record.

Mavs Stomp Carthage 21-0

THE MARSHALL MAVS BLASTED CARTHAGE before a near capacity crowd to win their first season game. In a game which Mavs completely dominated, the Mavs rolled on to tally 21 points, even though two Marshall 'TD's were wiped out by penalties. Beane scored in the first period with a keeper from six yards out. Bridger tallied his TD from the 2 to cap off a 30 yd. Mav drive. Scotty Furrh rallied the final score as he ran over from 2 yds. out to cap a 40-yd. run by Cloninger. Foster converted on all three plays. Outstanding defensive players included Asaff, Miller, Lewis, Pratt, and Watson.

Mavs Smash Kilgore 19-0

THE MAVERICKS WON THEIR SECOND STRAIGHT game by blanking the Kilgore Bulldogs 19-0. The Mavs scored just 2:45 deep in the first period as Quarterback Mike Beane faked a draw to Bridger and hit Ben McBride all alone on the 15. McBride ran it over, and Foster converted to make the score 7-0. Tailback Ronnie Brock scored later from the five and capped an 84-yard drive. An offsides penalty erased Foster's first conversion, and the second fell short. Quarterback Larry Cloninger scored in the final period from the sixteen to top off a 36 yard Maverick drive that began with an Asaff interception on the Maverick 35. Kilgore's offense continuously battled, but a strong Marshall defense kept them scoreless.

THE MARSHALL MAVERICKS RAPPED FORT WORTH PAS-

game of the season. Danny Lawrence skirted right end to put the
Panthers in the scoring slot. Seven minutes later Ronnie Brock scored for
the Mavs from three yards out, capping a 53-yard scoring drive. Mar-
shall's second marker came in the initial period as quarterback Mike
Beane combined with Scotty Furrh for a 39-yard pass and run play.
The third Mav touchdown came in the second quarter as Beane hit Mc-
Bride in the Panther end zone. The fourth Marshall TD was wiped out
by a penalty, and the last score was made in the final period as Asaff
intercepted a pass and raced 70 yards untouched for the Marshall score.

Mavs Outplay Northside 6-0

THE HARD-CHARGING MAVERICKS ran into a brick wall the better part of four quarters when playing North Side, before grinding out a 6-0 win over the upset-minded North Side eleven. Quarterback Mike Beane, scored the game's lone marker as he rolled out around right end behind the blocking of fullback Steve Bridge and tailback Ronnie Brock from seven yards out.

A second Marshall touchdown was erased as officials claimed that safety Billy Morton stepped out of bounds enroute with a 59-yd. punt return. He was credited with a 33-yd. punt return on the play.

Although Marshall had a slight edge in the total defense—210 yds. as compared with 178—the Mavs most potent weapon was the booming punts of Beane. Tackle Richard Hadlock recovered the ball for the Mavericks on their 6-yd. line. Larry Cloninger ran out the clock on two successions to give the Mavericks their fourth win.

THE MAVS WON THEIR 5TH straight game before a crowd of 3,500 by defeating Waco Richfield 25-8. The Mavs scored by downing the Rams early in the 1st attempt with a 35 yd. Beane-Asaff play capping a 64 yd. drive. The next Mav TD came when Beane passed to Brock in the flat. The ball ricocheted into McBride's arms, and he ran successfully into the end zone. McBride intercepted a Waco pass and returned it 43 yds. to the Rams. Beane ran it over from the 16 after 3 passes fell incomplete. The lone Rams TD came in the final frame as Moore hit off a tackle, then cut back for a 35 yd. jaunt. A pass from QB Wooten to end Kearney accounted for the Rams' pt. conversion. The Mavs final score, and their only score in the last half, came as a Wooten punt bounced off Scotty Furrh's shoulders and landed at Dennis Watson's feet 15 yds. back downfield. Watson scampered 35 yds. for the score. Marshall's only conversion came with a Hammer's kick after the final score.

Hammers made it 7-0 with 5:50 left in the half. The Mavericks added a safety in the final frame with George Carter and Edmund Wood trapped fullback Morris Parrish in the end zone. A pass from Beane to Asaff for 31 yds. gave Marshall its final tally. Jim Ethridge, Richard Hadlock, Russell Pratt, Dennis Watson, and Asaff at lineback, led the Mavs on defense. Ethridge made the key interception to stop the only Panther drive. This was the first victory over the Lufkin Panthers in 3 years and made it a 3 way tie for 1st place in District 8-AAAA play. This also marked the 1st district win since Brooks took the Marshall post in 1964.

Scotty Furrh scored for the Mavs later with a 2 yd. blast up the middle, capping a 64 yd. drive. QB Mike Beane passed to McBride on a fake field goal on a 4th down. Hammers toss covered 28 yds. The lone Longview score came when Lobo QB James Street hit pay dirt from the 1-yd. line on a QB sneak. Street's score came with 7:53 left in the final quarter, but Longview's efforts were too late. The Mav defensive line proved to be outstanding, keeping Street to only 4 completions for 18 attempts. Defensive standouts were Hammers, Bridger, and Hadlock.

Mavs Lose to No. 1 25-8

THE MAVS FELT THE FIRST DEFEAT OF the season as the Texarkana Tigers handed Marshall a 25-8 upset. This assured Texarkana the 8-AAAA championship and also 4A state play-offs. Patman, all-state, and Norwood, proved to be unstable. Texarkana intercepted a Beane pass at the 5 and returned it 95 yds. for the TD. This ended a 60 yd. drive of the Mavs and also, in all probability, the entire Mav attack. Norwood made his 1st score with 10:00 left in the 2nd quarter and ended a 61 yd. drive of 12 plays. The undefeated Mavs struck back with a spirit. A pass from Hammers to Asaff gave Marshall an extra 2 points. Texarkana finally broke the game wide open with 0:19 left in the half with a 19 yd. pass from Norwood to Patman for the third Texarkana TD. The Tigers' final score came with 5:30 left in the game.

Mavs Drop Lions 26-0

THE MARSHALL MAVERICKS ENDED the finest football season in 20 years with the defeat of the John Tyler Lions. This gave Marshall a 9-1 record, with the only defeat going to Texarkana. The Mavericks handed the Lions a 26-0 defeat and scored in all four periods of play. Beane went over from the one for the first Mav score, and Hammers added his point on the extra attempt with 2:20 left in 1st quarter. Beane connected with McBride for a 40 yd. TD. Hammers again succeeded in the extra point category to make it 14-0. Beane again connected with Asaff for a 26 yd. TD. Cloninger then added the finishing touches to things with a 10 yd. pass to end Jim Bennett. The Mavs played a magnificent defensive game, not permitting Tyler to enter Marshall's 26. Miller, Ethridge, McBride, and Asaff were key figures in the game.

Thank You!

The MAVERICK staff would like to use this space to say a tremendous THANK YOU to four men who have generously donated their time and efforts to make this yearbook strictly "top-notch". These four helpful personages being Mr. Bob Burns, Mr. Julian Barnes, Mr. Edwin Foster, and Mr. Jay Tom Holley.

Without the helpful cooperation of Mr. Bob Burns we could not publish this yearbook. Mr. Burns has been called on many times to donate Marshall News Messenger pictures to the MAVERICK. We say, "Thank you Mr. Burns, for the countless pictures you have taken that appear throughout our annual."

The lovely pictures in the favorite section, and the unique advertising photos, along with many other outstanding photographs we must credit to the talent of Mr. Julian Barnes. Mr. Barnes has gone out of his way to aid the staff in producing the MAVERICK. To you Mr. Barnes we owe a large "Thank You."

Both students and staffers alike have enjoyed Mr. Mark Foster's witty humor and admired the fine quality school pictures he has given us through the years. To recapture every face in MHS for print is quite a job, but to keep every face smiling is an art. Thank you Mr. Foster.

Mr. Jay Tom Holley, the yearbook representative of Taylor Publishing Co., has assisted the staff in numerous ways. He rushes to Marshall at our call for help and diligently aides us in ironing out our problems. We really appreciate his charm and advice.

To you, gentlemen, we wish to say "Thank you—for everything."

COMING TO YOU AS A RESULT OF the hard work of seventeen staff members and a devoted sponsor is your MAVERICK for 1966! A combination of happiness, disappointments, plans made, and plans unfulfilled—now the book is yours to enjoy. Since September, this annual has been our life—indeed the very air we breathe, and now it is completed. We, the staff, are like proud parents showing off a child—we want you to notice every part of this book from page one to the index.

When we began making plans in June, we had only a theme, "Flags Unfurled", but hopes and dreams soon turned into realities after the first sixteen pages were sent to the publishing company. Long hours of work rushing to meet deadlines often seemed spent in despair, but gradually, the first hundred pages, then the next, and finally the complete MAVERICK went to press. Sighs of relief were uttered only to realize that a living part of us was gone.

Looking back over the past year, we remember a variety of things—a fun-filled trip to Six Flags, the hectic day school pictures were made, laughter, and sometimes tears at mistakes we had made, and the feeling of happiness when a

shipment was finally completed. Oh! Don't let me forget the screams of joy which penetrated the halls of dear old MHS on the night the index was completed!

These memories—some are funny to the point of being hilarious, while others are sad to the point of being almost tragic—are our memories, memories which we shall always cherish. They are the memories of lasting friendships which come from hours of working together to attain a common goal.

For many of us this is good-bye, but for others it is only "So long until next year." Those of us who leave, leave with a tear in our eye and a deep sense of pride, and those of us who stay look forward to another year of producing for you—the students, faculty, and administration of MHS—a MAVERICK which you will be proud to call your own.

Each of us thanks you, the students and faculty, for your support and co-operation, for without you the MAVERICK could not exist. Hoping you will enjoy the MAVERICK and will cherish it always as a part of your life at MHS, we, the staff for 1965-66, bid you good-bye!

Love
